21st Stockholm International Film Festival November 17-28 2010.

The Stockholm International Film Festival started in 1990 and is today one of the leading competitive film festival in Europe. The festival takes place every year in November with more than 180 films from more than 50 countries. More than a festival: we organize exclusive screenings and the popular Summer Cinema - an outdoor mini-festival. Every year in April the Stockholm International Film Festival Junior brings the latest films to youngsters between 6 and 16 years of age.

WE LOVE FILM!
